**You are strongly advised to purchase Travel Insurance** to cover you against any unforeseen emergencies that may occur. This is available as a single policy to cover just the one trip or, it may be more economical and beneficial, to purchase an annual policy. All policies can be bought to cover an individual, a couple or a family. As from 01.01.09 the sale of travel insurance will be regulated by the Financial Services Authority.

As we do not hold the necessary authorisation, we are no longer able to offer or advise on travel insurance related matters after this date.

**IMPORTANT:** Please be aware that it is your responsibility to ensure that you and all members of your party should have adequate travel insurance and that you agree to indemnify Gemmaway against any expense arising from you or any member of your party cancelling the holiday. You are also responsible for any costs incurred in emergency assistance or repatriation which you or any person in your party may incur as a result of having inadequate insurance protection.
